Voluntary Membership Agreement

Through the voluntary association with or voluntary submission of membership application, all members will become subject to the following clause and terms:

I Voluntarily agree to join ASCENDING AWARENESS, a Church formed pursuant to common law, governed by ecclesiastical law, and interpreted by Church members who seek to help each other achieve better health and good quality of life. I am voluntarily changing my capacity from that of a public person to that of a private member. My activities within the Church are a private contractual matter that I refuse to share with the Local, State, or Federal investigative or enforcement agencies. I fully agree not to pursue any course of legal action against a fellow member of the Church, unless that member has exposed me to a clear and present danger of substantive evil, and upon the recommendation and approval of the Church.

I enter into this agreement of my own free will without any pressure or coercion. I affirm that I do not represent any Local, State or Federal agency whose purpose is to regulate or to carry out any mission of enforcement, entrapment, or investigation. I have read and understood this document, and my questions have been answered fully to my satisfaction. I understand that I can withdraw from this agreement and terminate my membership in this Church at any time, and that my membership can and will be revoked if I engage in abusive, violent, menacing, destructive or harassing behavior towards any other member of the Church.

By voluntarily signing up to our private membership association, Black Diamond Guild, you are agreeing to everything in this document.
